PRIYANKA JANA

I am a dedicated BCA student at Contai College of Learning & Management Science under Maulana Abul Kalam Azad University of Technology, West Bengal with a strong interest in IT support and technology. I have knowledge of computer hardware, software installation, operating system troubleshooting, basic networking, and computer maintenance. I am a quick learner with good problem-solving and communication skills. I am seeking an opportunity to start my career as a Technical Support professional where I can apply my skills, learn new technologies, and contribute to organizational growth.
